Organizing Director | Florida Decides Healthcare | September 2023 - April 2025

Manages the field volunteer for the petition collection efforts with the goal of getting Medicaid Expansion on the 2026 Florida Ballot.

Field Director | Florida for All | September 2021 - November 2022

Oversee the field operation for the Local Theory of Change program which aims to win sustainable structural change for working people by building bases of power in marginalized communities. Manage a team of 6 organizers in regions throughout Florida, created accounting systems to ensure goals met, and track their performance. Over the course of the year, we aligned 50 grassroots and grassroots organizations around shared visions. In Orange County, the housing justice hub we created, coordinated a ballot measure for Rent Stabilization that received 190,000 votes to win in the 2022 midterm elections.

Consultant | Catalyst Movement Building Group | May 2016 - Present

Worked on 10 campaigns including: Christopher "CJ" Czaia for State Representative District 70 (2016), Sally Laufer for State Representative District 65 (2018), BOLD Voter Political Committee (2020), Pinellas Beat COVID Field Operation (2021), and Bernie Fensterwald for State Representative District 58 (2022). In Bernie Fensterwald's campaign for State Representative, planned and implemented field, communications, and voter outreach strategies that enabled him to win the Democratic primary by 25.6%. In the Pinellas Beat COVID Field Operation, managed a team of 20+ canvassers knocking doors in marginalized communities to set up COVID vaccine appointments which resulted in increasing vaccination rates by 70% in those targeted areas.

Florida Political Director | Fight for 15 Florida | Jan 2015 - March 2021

Coordinated and implemented the political program to organize fast food workers to fight for \$15/hour wage and safe working conditions. In 2020, the campaign culminated with a statewide ballot initiative, Amendment 2, that sought to make \$15/hour the minimum wage in Florida. We won the measure and received 723,000 more votes than Donald Trump.

Project Coordinator | Awake Pinellas | March 2010 - December 2020

Organized Pinellas County around progressive values to create social and economic impact. Awake Pinellas led over a dozen campaigns that made advancements for everyday people in the County. We won a county Wage Theft Ordinance in 2015 that recovered over \$350,000 for local workers; won Defend our Democracy ordinance which restricted large and corporate donor contributions in St. Petersburg city elections; and successfully campaigned for the city of St. Petersburg to commit to a roadmap of achieving 100% renewable energy by 2035.

Field Representative | Florida AFL-CIO | Jan 2014 - November 2014

Managed field operations that organized local union members participation in member to member and general voter outreach for a dozen different active unions, including IBEW, NALC, Hillsborough Classroom Teachers Association, ATU and others.
